COMPANY.

PROFILE

GROUPE AL-GAMIL

Founded on July 16, 1983, by Mr. Gamil Abdoukarim, the owner and the chairman of GROUPE AL-GAMIL. Al Gamil has grown into a leading trading and construction company in Djibouti. Initially starting with a carpentry workshop, the company has broadened its scope to include high-quality imports and a wide range of services. This expansion culminated in the opening of one of the largest hypermarkets in the horn of Africa on February 15, 2017. Today, GROUPE AL-GAMIL has grown to have a network of hypermarkets, warehouses, construction company, stone crushing site and farms.

COMPANY ACTIVITIES

Importing and Marketing: The importation and marketing of high-quality products aim to address consumer demands by offering goods that meet diverse customer needs at competitive and appropriate price points.

Infrastructure Development: The establishment and construction of infrastructure projects are carried out with modern, high-quality specifications, prioritizing urban development and the creation of contemporary facilities within cities to elevate living standards.

OUR MESSAGE

Groupe Al Gamil is committed to provide high-quality products and exceptional services. We prioritize continuous improvement in performance, resource management, and customer satisfaction. This dedication enables us to expand our operations, create job opportunities, and contribute to strengthening the country's economy.
